

Tuesday Teacher Takeovers

Brilliance Award Submission | Fort Worth Country Day

Brilliance Awards Note

This entry was re-categorized to #18 Social Media because it has multiple elements and #28 calls for a single element.

Category 28

28. School Spirit/Humor Single. Any effort to boost school spirit and/or stay connected during the pandemic. Any format. Judging criteria: all.

Description

We created these Instagram and Facebook Stories in order to give parents & families a glimpse of life on campus while they were not allowed on campus because of the pandemic. They ran each week and were composed of approximately 10 story slides each. **The video files linked below are video composites of the original stories.**
