JOY + SERVICE

Our inherent Christian principles of justice, peace, and compassion inspire our students and their families to engage in meaningful service to others. As students further their understanding of social issues through philanthropic initiatives, their responsibility to take action is awakened. They become empathetic and globally aware citizens who find immense joy and fulfillment in making positive contributions to society.

JOY + FAITH

Spiritual nourishment is among the most essential tenets of a Holy Child education. Students learn and worship together as a dynamic Christian community, developing a deep commitment to faith and a joyous personal relationship with God. As they grow in wisdom, knowledge, and grace, they view themselves and others as children of God, brightly guided by a strong moral compass and a powerful conviction to live their faith.

JOY + LEARNING

We are a Holy Child School—the 21st century articulation of the timeless teachings of our visionary founder. We believe happy children are better learners. We embrace their open hearts and curious minds in a loving environment that encourages self-expression. Our students find joy in the classroom, the art room, and on stage, in athletic endeavors and on the playground, in their teachers and each other.

JOY + ACHIEVEMENT

For more than 70 years, our students have shined brightly in their pursuit of excellence in academics, athletics, and the arts. They are leaders who welcome challenges, demonstrate resilience, and strive to be their best selves. They greet each new day with joy in their hearts, pride in their accomplishments, and appreciation for the affirming examples set by others.

RESPONSE CARD

Dear Holy Child Community Members,

The world we live in, and the challenges presenting themselves, are becoming increasingly complex. People of all ages are searching for hope and encouragement, for positivity and strength. Now more than ever, it is essential that we provide for our students a strong sense of wellbeing, and the priceless gift of joy that emanates from our everyday actions and interactions.

We need your help. Your gift to the Holy Child Fund will enhance our ability to build an environment that inspires students to achieve academic excellence, deepen their spirituality, develop social responsibility, and fully embrace life and all of its opportunities. This has always been the promise of a Holy Child School at Rosemont education.

Last year, more than 400 members of our community contributed to the Fund. Can we rely on you this year? Please know that each and every gift we receive makes a difference for our School and the students we serve. We remain deeply grateful for your support in helping us sustain a bright and joyful future.
